We are proud to introduce our new partnership with Windermere on the Mount Retirement Residence. Together, we will host a series of seminars on their beautiful property on the South East corner of Richmond St. and Windermere Rd. in North London.

Our first seminar will focus on retirement residence living itself. We will examine lifestyle adjustments, cost, financing, and offer a tour of what is quite possibly the most prestigious retirement residence in Ontario!

Whether you would consider moving to a retirement residence, or are researching the options for your parents, this will be an invaluable opportunity to learn about the whole experience.

Please join us for the first in our series:
